190	FAILURE TO MAKE DELIVERY	<p>(A) In all instances where carrier is unable to locate the consignee at the address given by the shipper, or correct address (if known by carrier); or where the consignee is unable or declines to accept delivery of the shipment, or the shipment remains in the possession of the carrier pursuant to instructions of the shipper or consignee and is not stored in transit under the provisions of Item 670, notification of failure to make delivery will be mailed or telegraphed to the consignee, consignor or owner, or written notice delivered to the premises where actual delivery was to be effected or to other notifying address and the property placed in the nearest warehouse of the carrier, or at the option of the carrier, in a public warehouse, and upon such placement liability as a carrier shall immediately cease and liability shall thereafter be only that of the warehouseman in possession.</p> <p>(B) In cases where a "subsequent delivery" is called for and made, charges will be assessed for such "subsequent delivery" on the basis of charges lawfully applicable from carrier's terminal or from public warehouse (as the case may be) to place of delivery.</p>
200	IMPRACTICABLE PICK-UP OR DELIVERY	<p>(A) It is the responsibility of the shipper to make shipment accessible to carrier or accept delivery from carrier at a point at which the road haul vehicle may be safely operated.</p> <p>(B) When it is physically impossible for carrier to perform pick-up of shipment at origin address or to complete delivery of shipment at destination address with normally assigned road haul equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration of roadway due to rain, flood, snow, or nature of an article or articles included in the shipment, the carrier shall hold itself available at point of pick-up or tender delivery at destination at the nearest point of approach to the desired location where the road haul equipment can be made safely accessible.</p> <p>(C) Upon request of the shipper, consignee or owner of the goods, the carrier will use or engage smaller equipment than its normal road haul equipment or provide extra labor for the purpose, if possible of accomplishment, of transferring the shipment between the residence and the nearest point of approach by the carrier's road haul equipment. Charges for this auxiliary service to cover labor and additional vehicle (if used) will be as provided in Item 700 and shall be in addition to all other transportation or accessorial charges.</p> <p>(D) If the shipper does not accept the shipment at nearest point of safe approach by carrier's road haul equipment to the destination address, the carrier may place the shipment, or any part thereof not reasonably possible for delivery, in storage at the nearest available warehouse of the carrier, or, at the option of the carrier, in a public warehouse, subject to a lien for all lawful charges.
